**The last day to drop classes is November 2, 2018.**

**Attendance Policy**
At The University of Texas at Arlington, taking attendance is not required. As the instructor of this course section, I will take attendance. See Grading Policy for details.

**Other Requirements**
Tests and discussions will be offered through Blackboard. It is a requirement and responsibility of each student to have access to a computer and a high speed Internet connection on a daily basis. Review UT Arlington’s hardware recommendations: [http://www.uta.edu/oit/cs/hardware/student-laptop-recommend.php](http://www.uta.edu/oit/cs/hardware/student-laptop-recommend.php) and Blackboard’s browser requirements: [http://www.uta.edu/blackboard/browsertest/browsertest.php](http://www.uta.edu/blackboard/browsertest/browsertest.php).

You will use your Netid and password to login to Blackboard at [https://elearn.uta.edu/](https://elearn.uta.edu/). It is your responsibility to become familiar with Blackboard and how to access course components. There are several Blackboard resources for students including [http://www.uta.edu/blackboard/students/index.php](http://www.uta.edu/blackboard/students/index.php) and [http://help.blackboard.com/](http://help.blackboard.com/).
Tests
- There are 2 Tests this semester. The tests will consist of Multiple Choice and Short Answer questions drawn equally from the textbook and lecture. All tests will be given online. Lockdown Browser is required.
- There are 50 Multiple Choice/Answer Questions & 8 Short Answer questions for each test. Be thorough in your Short Answer responses. You will have 2.5 hours to complete each test. (200 points possible for each test)

Reopening a Test
- I will reopen a test **ONCE** for everyone **IF** it is before the due date and time deadline. (See Course Schedule). This would be applicable in cases where you lost your internet connection, computer crash, etc., during the taking of the test. (This is not to retake a quiz test with a low score).

Viewing a Completed Test
- **A one-time view of all completed tests is available after all tests are graded.**
  (Directions on how to access your completed quizzes/tests are on the Blackboard announcement page.

Email Reminders
- Check your UTA email daily as I will send out reminders for test and discussion due dates. If you receive a reminder it means you have not completed the assignment. I send out the reminders in advance to allow you time to complete the assignment.

Honor Code
- The Honor Code applies for all tests & discussion posts....meaning do your own work. (No texting, emailing, calling, copying from the Internet, or any assistance from others).

Discussions
- You will need to participate in a 3 online Discussions this semester (see Course Schedule). Respond once to my post and at least twice to your classmates, for the 50 possible discussion points. There are 3 discussions=150 points.
- The comments you make and any material you may add to the discussion forum need to be original not taken from the internet without being cited. I check submissions via Safe Assign.
- To receive the full possible points for each discussion, you will need to answer the discussion question(s) that I post with a minimum of 200 words in your initial post, and then respond to at least 2 of your classmate’s posts (100+ words to each), using their names so we know who you are addressing. Just completing the above requirements does not ensure full points. That will be determined by content, adding something new to the discussion versus rephrasing other’s comments.
- Use the word count feature on your Blackboard main page to assist you.
• I will be grading your discussion according to the Discussion Grading Rubric.
• All discussions open for one week (See Course Schedule).

Presentation
• Take a “need, issue or problem” related to the chapter you select and problem-solve. Using a minimum of 5 resources, put forth solutions to the need/issue/problem. Look at alternative ways to solve the need/issue/problem. Also, look at pros and cons to your solutions.
• Once you have identified what you plan to research, create a one-page outline of your resources and what you plan to show in your presentation. Email outline to bcrow@uta.edu by September 5. (10 points)
• Create a short 5-10 minute presentation. Everyone in your group must participate. The presentation will need to be uploaded to Echo360 prior to the date of your presentation. (See Course Schedule)
  • Your information should be fact-based not opinion-based.
  • Use reliable sources.
  • The information you present needs to relate to our course, Women’s Health.
  • Your classmate’s will have input into your presentation grade. (10 points)
• 10 points of your presentation (100 points total) will be your outline of resources due by September 5th. Email to bcrow@uta.edu
• 10 points of your presentation (100 points total) will be graded by your classmate’s. The remaining 80 points will be graded according to the Presentation Rubric.

Textbook
• You will need to have the current textbook. An earlier version will not be adequate and may result in many wrong answers on the quizzes and tests.

Grading Policy
Students are expected to keep track of their performance throughout the semester and seek guidance from available sources (including the instructor) if their performance drops below satisfactory levels.

Course Grading Scale
