**Attendance Policy**
At The University of Texas at Arlington, taking attendance is not required. As the instructor of this online course section, I will not take attendance, but regular online participation through Blackboard is expected of all students.

**Other Requirements**
This course is offered in entirety as an online format through Blackboard. It is a requirement and responsibility of each student to have access to a computer and a high speed Internet connection on a daily basis. Review UT Arlington’s hardware recommendations: [http://www.uta.edu/oit/cs/hardware/student-laptop-recommend.php](http://www.uta.edu/oit/cs/hardware/student-laptop-recommend.php) and Blackboard’s browser requirements: [http://www.uta.edu/blackboard/browsertest/browsertest.php](http://www.uta.edu/blackboard/browsertest/browsertest.php).

You will use your Netid and password to login to Blackboard at [https://elearn.uta.edu/](https://elearn.uta.edu/). It is your responsibility to become familiar with Blackboard and how to access course components. There are several Blackboard resources for students including [http://www.uta.edu/blackboard/students/index.php](http://www.uta.edu/blackboard/students/index.php) and [http://help.blackboard.com/](http://help.blackboard.com/).

**Tests**
- There are 3 Tests this semester. (100 points possible for each test)
- Test 1 can be completed after Lessons 1-6. This test needs to be completed by October 4, 2018 at 11:55 pm. You will have 1.5 hours to complete 35 Multiple Choice questions & 6 Short Answer questions.
- Test 2 can be completed after Lessons 7-16. This test needs to be completed by November 8, 2018 at 11:55 pm. You will have 1.5 hours to complete 35 Multiple Choice questions & 6 Short Answer questions.
- Test 3 can be completed after Lessons 17-24. This test needs to be completed by December 13, 2018 at 11:55 pm. You will have 1.5 hours to complete 35 Multiple Choice questions & 6 Short Answer questions.

Reopening a Quiz or Test
- I will reopen a quiz or test ONCE for everyone IF it is before the due date and time deadline. (See Course Schedule). This would be applicable in cases where you lost your internet connection, computer crash, etc., during the taking of the quiz/test. (This is not to retake a quiz or test with a low score). You must retake the quiz or test when reopened, within 24 hours.

Viewing a Completed Quiz or Test
- A one-time view of all completed quizzes/tests is available after all quizzes/tests are graded. (Directions on how to access your completed quizzes/tests are on the Blackboard announcement page.

Extra Credit
- I will count 20 out of the 24 quizzes in your course grade. If you take all 24 quizzes, you may receive up to 40 points earned as extra credit.

Email Reminders
- Check your UTA email daily as I will send out reminders for quiz, test and discussion due dates. If you receive a reminder it means you have not completed the assignment. I send out the reminders in advance to allow you time to complete the assignment.

Honor Code
- The Honor Code applies for all quizzes, tests & discussion posts....meaning do your own work. (No texting, emailing, calling, copying from the Internet, or any assistance from others).

Discussions
- You will need to participate in a discussion 3 times per week. Respond once to my post and at least twice to your classmates, for the 20 possible weekly discussion points. There are 15 discussions=300 points.
- The comments you make and any material you may add to the discussion forum need to be original not taken from the internet without being cited. I check submissions via Safe Assign.
- To receive the full possible points for each discussion, you will need to answer the discussion question(s) that I post with a minimum of 200 words in your initial post, and then respond to at least 2 of your classmate’s posts (100+ words to each), using their names so we know who you are addressing. Just completing the above requirements does
not ensure full points. That will be determined by content, adding something new to the
discussion versus rephrasing other’s comments.

- Use the word count feature on your Blackboard main page to assist you.
- I will be grading your discussion according to the Discussion Grading Rubric.
- All discussions open Monday afternoon (12:30pm). Your initial post is due by Thursday
  night, and all posts are due Monday at noon.

**Textbook**

- You will need to have the current textbook. An earlier version will not be adequate and
  may result in many wrong answers on the quizzes and tests.

**Grading Policy**

Students are expected to keep track of their performance throughout the semester and seek
guidance from available sources (including the instructor) if their performance drops below
satisfactory levels.
