GRADING POLICY:

In order to successfully complete an undergraduate nursing course at UTA, the following minimum criteria must be met:

- 70% weighted average on proctored tests (none in this class)
- 70% weighted average on written assignments

In undergraduate nursing courses, all grade calculations will be carried out to two decimal places and there will be no rounding of grades.

Letter grades for tests, written assignments, end of course grades, etc. shall be:

- A: 90.00 - 100.00
- B: 80.00 - 89.99
- C: 70.00 - 79.99
- D: 60.00 - 69.99

The existing rule of C or better to progress remains in effect; therefore to successfully complete a nursing course students shall have a course grade of 70.00 or greater.

Students are expected to keep track of their performance throughout the semester and seek guidance from available sources (including the instructor) if their performance drops
below satisfactory levels.

**Expectations for Out-of-Class Study:**
Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend at least an additional 8 hours per week of their own time in course-related activities, including reading required materials, completing assignments, preparing for exams, etc.

**TESTING GUIDELINES:**

- Each student must bring his/her student ID to each exam and place under his/her chair. These will be checked. Students must have student ID to take exam.
- The student must be on time for quizzes. A student will be unable to take an exam if he/she is late and another student has already finished the exam. In this case, the student would receive a “0” on the exam/quiz.
- If you miss a quiz, the grade for that quiz is 0. No make-up quizzes are given without clinician documentation or police report (for accident) or other documentation as appropriate.
- All books, papers, and backpacks must be put on the side of the room for testing and quizzes.
- All cell phones, pagers, palm pilots, and laptop computers must be turned off and placed on the side of the room.
- All food items and drinks must be placed on the side of the room.
- No talking is allowed during exams. If a student is talking, he/she will receive a “0” on the exam/quiz.
- All testing materials must be returned at the end of the exam/quiz.
- The student must fill out his/her name and bubble on Scantron sheet first. Quizzes/exams without names will not be accepted. All answers must be put on Scantron sheet before the end of the exam. No extra time will be given at the end of the exam/quiz to fill out name/answers.
- No restroom breaks will be allowed after the first test is turned in.
- Students must take off employee badges during exams.

Although faculty strives to provide a quiet learning/testing environment there may be noises and distractions in any testing environment that are beyond the control of the exam proctors. If a student feels that the testing environment is unduly noisy or distracting for any reason, it is the responsibility of the student to report this to an exam proctor as soon as possible during the exam so corrective action may be taken.

**Electronic Devices:** Any use of electronic devices must be approved prior to use by the lead instructor including but not limited to tape recorder, cell phones, palm organizers, electronic and programmable calculators, camera and/or videotaping.

**GRADE GRIEVANCES:**
Any appeal of a grade in this course must follow the procedures and deadlines for grade-related grievances as published in the current University Catalog.

http://catalog.uta.edu/academicregulations/grades/#undergraduatetext

**DROP POLICY:**
Students may drop or swap (adding and dropping a class concurrently) classes through self-
service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. Students will not be automatically dropped for non-attendance. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. Contact the Financial Aid Office for more information.

As in the past, the last date to drop a RN-BSN course is adjusted. The adjusted date will now reflect a point two-thirds of the way through the course.

**Adjusted drop dates in the Fall 2018 semester for Junior RN-BSN courses are as follows:**

**N3315 Holistic Health Assessment Across the Lifespan – DROP DATE: October 10, 2018**

**Disability Accommodations:**
UT Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including *The Americans with Disabilities Act (ADA), The Americans with Disabilities Amendments Act (ADAAA), and Section 504 of the Rehabilitation Act.* All instructors at UT Arlington are required by law to provide “reasonable accommodations” to students with disabilities, so as not to discriminate on the basis of disability. Students are responsible for providing the instructor with official notification in the form of a letter certified by the Office for Students with Disabilities (OSD). Only those students who have officially documented a need for an accommodation will have their request honored. Students experiencing a range of conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting: **The Office for Students with Disabilities, (OSD) www.uta.edu/disability** or calling 817-272-3364. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at **www.uta.edu/disability.**

**Counseling and Psychological Services, (CAPS) www.uta.edu/caps** or calling 817-272-3671 is also available to all students to help increase their understanding of personal issues, address mental and behavioral health problems and make positive changes in their lives.

Academic Integrity:

Students enrolled all UT Arlington courses are expected to adhere to the UT Arlington Honor Code:

I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence. I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UT Arlington faculty members may employ the Honor Code in their courses by having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted. Per UT System Regents’ Rule 50101, §2.2, suspected violations of university’s standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with University policy, which may result in the student’s suspension or expulsion from the University. Additional information is available at https://www.uta.edu/conduct/.

Plagiarism:

Copying another student’s paper or any portion of it is plagiarism. Additionally, copying a portion of published material (e.g., books or journals) without adequately documenting the source is plagiarism. If five or more words in sequence are taken from a source, those words must be placed in quotes and the source referenced with author’s name, date of publication, and page number of publication. If the author’s ideas are rephrased, by transposing words or expressing the same idea using different words, the idea must be attributed to the author by proper referencing, giving the author’s name and date of publication. If a single author’s ideas are discussed in more than one paragraph, the author must be referenced at the end of each paragraph. Authors whose words or ideas have been used in the preparation of a paper must be listed in the references cited at the end of the paper. Students are encouraged to review the plagiarism module from the UT Arlington Central Library via http://library.uta.edu/tutorials/Plagiarism

**Electronic Communication Policy:**
The University of Texas at Arlington has adopted the University “MavMail” address as the sole official means of communication with students. MavMail is used to remind students of important deadlines, advertise events and activities, and permit the University to conduct official transactions exclusively by electronic means. For example, important information concerning registration, financial aid, payment of bills, and graduation are now sent to students through the MavMail system. All students are assigned a MavMail account. Students are responsible for checking their MavMail regularly. Information about activating and using MavMail is available at [http://www.uta.edu/oit/email/](http://www.uta.edu/oit/email/). There is no additional charge to students for using this account, and it remains active even after they graduate from UT Arlington.

To obtain your NetID or for logon assistance, visit [https://webapps.uta.edu/oit/selfservice/](https://webapps.uta.edu/oit/selfservice/). If you are unable to resolve your issue from the Self-Service website, contact the Helpdesk at helpdesk@uta.edu.

**Campus Carry:**
Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. Under the new law, openly carrying handguns is not allowed on college campuses. For more information, visit [http://www.uta.edu/news/info/campus-carry/](http://www.uta.edu/news/info/campus-carry/)

**Student Feedback Survey:**
At the end of each term, students enrolled in classes categorized as lecture, seminar, or laboratory shall be directed to complete a Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit [http://www.uta.edu/sfs](http://www.uta.edu/sfs).

**Emergency Exit Procedures:**
Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest stairwell. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist handicapped individuals.
