<td>3. Which attributes of the course and/or the professor helped you learn the material? (When the course is next taught, what should be done in the same way?)</td>
<td>I felt as though I was doing busy work. I am in a cohort program, which clearly means I am working full time, school full time, and now internship. The fact that even more pointless work was placed on top of my work load is ridiculous. To be the guinea pigs on how to grade field is upsetting. The person who supervises me in the filed should be the one giving me my grade, ensuring I am getting my hours, and making sure I learn different competencies, not someone who I have never met once and simply reads my journal entries.</td>
