**B. ETHICS GROUP PRESENTATION - 50 pts**

In this assignment, students will be working in groups. Each group is responsible for determining an ethical course of action for handling the dilemma in the assigned scenario. Groups will utilize resource materials in:

- **Class Lecture**
- **Cournoyer, et al. Chapter 5**
Each group will review a case presenting an ethical dilemma from a list provided and discuss the dilemmas in light of the reading. That is, groups should discuss what ethical principles (according to the Code of Ethics) and/or practice issues are at play. Each group will review their scenario, identify the ethical dilemma(s), and discuss the dilemma(s) utilizing the ethical decision-making materials discussed in class, and work to arrive at a consensus (class time will be provided for this, although it may not be enough, it is possible that students will need to spend some time on this assignment outside of the regular class period). In discussing the cases, please follow steps 1-4 of Reamer’s 7-Step Process on the Ethical decision making handout.

Each group will make a 15-20 minute presentation in class. Presentations should include the following (divided among the members of your group):

Steps 1-4 of Reamer’s 7-Step Process:

1. Identify the ethical issues, including the social work values and duties that conflict.
2. Identify the individuals, groups, and organizations that are likely to be affected by the ethical decision.
3. Tentatively identify all possible courses of action and the participants involved in each, along with possible benefits and risks for each.
4. Thoroughly examine the reasons in favor of and opposed to each possible course of action, considering the relevant ethical theories, principles, and guidelines; codes of ethics and legal principles; social work practice theory and principles; personal values (including religious, cultural, and ethnic values and political ideology), particularly those that conflict with one’s own.

Each group should also turn in a typed handout to the instructor at the time of their presentation listing their responses to the above questions. Power points, role play, posters, etc may be used for the presentation. Be creative!

Grading Criteria

Presentations will be evaluated on the group’s ability to clearly address each of the above questions thoroughly and concisely during the presentation. Students are to provide feedback on group members (including themselves) via an evaluation form on Blackboard. This evaluation will be part of your grade. The evaluation form WILL NOT be shared with anyone other than the instructor.

Addresses the following Core Competencies (Skills and Behaviors): Educational Policy 2.1.2(a, b, c, and d) Educational Policy 1.3(a, b, c) Educational Policy 2.1.7(a).

Students will write a brief (4 page) paper identifying your reasons for choosing Social Work as a profession. The paper should take the form of a coherent, well-organized essay, with a logical structure that is apparent to the reader. You will be graded in part on how effectively you are able to communicate your ideas in written form, so be sure to pay close attention to such details as spelling, grammar, and punctuation.

In this paper you will identify:

* your reasons *

The role play is expected to last 10 minutes. The topic of the first meeting (i.e., why the social worker is meeting the client) should be submitted to me by the end of class on on a date TBA. Some class time will be provided to discuss and prepare the role-play; however, it may not be enough. It is likely that students will need to spend some time on this assignment outside of the regular class period. Additional information on the content and grading of this assignment will be provided in class and posted on Blackboard in the Assignment folder.

**Addresses the following Core Competencies (Skills and Behaviors):** Educational Policy 2.1.1(a, b) Educational Policy 2.1.2(a, b, c. and d) Educational Policy 2.1.3(a, b, c) Educational Policy 2.1.6(a) Educational Policy 2.1.7(a) Educational Policy Educational Policy 2.1.10(a)-( i, ii, iii, iv, v) Educational Policy 2.1.10(b)-( i, ii, iii, iv, v) Educational Policy 2.1.10(c)-( i, ii, iii, iv, v) Educational Policy 2.1.10(d)-( i, ii, iii, iv, v)

The goal of these exercises is for you to become increasingly comfortable with yourself, to improve your skills and to learn from others. As an observer, I want you to gain insight into what is NOT said as much as what is said, and to notice when the body language of the role players does not match what they are saying. The role-plays will not be graded; however, participation in the exercises is required as part of your class participation grade.

**Participation - 10 points**

There will be 5 in class participation activities worth 2 points each. If a student is not in attendance no points will be given. You cannot make up points.

**PAPERS - GENERAL INFORMATION AND EXPECTATIONS**

All papers must follow APA guidelines. **At a minimum** this means:

- Points will be deducted if you do not follow these guidelines. See the following website for additional help with APA format: [http://owl.english.purdue.edu/owl/resource/560/01/](http://owl.english.purdue.edu/owl/resource/560/01/)
- Written work must be clear, concise, and grammatically correct. Deficiencies in areas such as spelling, punctuation, sentence structure, and incoherent organization will result in lower grades. As stated, plagiarism (using someone else's words, thoughts, or ideas and claiming them as your own - i.e., using direct sentences written by others) will result in a failing grade for the course.
- Please use formal and professional language when completing papers and assignments for this course (i.e., Why Social Work paper and Psychosocial Assessment). This includes refraining from the use of contractions (e.g., can’t, don’t, won’t, etc.).

**Unless otherwise indicated by the instructor, all designated assignments must be submitted through Blackboard. **Hard Copies are not to be turned in unless specified otherwise.**

**F. Attendance**

At The University of Texas at Arlington, taking attendance is not required but attendance is a critical indicator in student success. Each faculty member is free to develop his or her own methods of evaluating students' academic performance, which includes establishing course-specific policies on attendance. However, while UT Arlington does not require instructors to take attendance in their courses, the U.S. Department of Education requires that the University have a mechanism in place to mark when Federal Student Aid recipients "begin attendance in a course." UT Arlington instructors will report when students begin attendance in a course as part of the final grading process. Specifically, when assigning a student a grade of F, faculty report the last date a student attended their class based on evidence such as a test, participation in a class project or presentation, or an engagement online via Blackboard. This date is reported to the Department of Education for federal financial aid recipients. As the instructor of this section,

Due to the format and content of this course, regular and punctual attendance is imperative and expected. Additionally, it is expected for students to be on time and not leave early. Repetitive lateness (e.g., 15 minutes late), as well as leaving class early, may affect your final grade. If it is necessary for you to be late or leave class early, please let me know in advance. **Any in class assignment missed cannot be made up.**

N. Emergency Exit Procedures

Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exits, which are the stairwells located at either end of the adjacent hallway. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

O. Drop Policy

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. Students will not be automatically dropped for non-attendance. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing.
